Dear Phase 1 winners,

You are currently in 3rd year of your engineering course. We would like to inform you that there is an internship opportunity available during **May to December** in TI India. We are looking for students who are willing to spend **4-6 months** as interns in TI India (we are not looking for students who are available for less than 4 months). If you are interested then please send us your resumes as soon as possible.

Please indicate in your resume the time frame for which you are available to do internship in TI India.

Note: Please don't forward this mail to anybody; this opportunity is exclusively for 3rd year students of Phase 1 winning teams in analog design contest 2011.

Thanks & Regards,

TI India Analog Design Contest Coordinator
